### Tasting notes

---

Gaja's wines reach their pinnacle in this quintessential expression of Nebbiolo with its very complex, fragrant aromas and magnificent depth. The 2009 is an extraordinary Sorì Tildìn with a powerful bouquet of wild strawberries and sweet raspberry fruits intermingled with exotic spices and wild herbs which are more intense than in previous vintages. On the palate there are layers of rich red fruits with a deep, dark core of smooth ripe black cherry fruits. Complex mineral notes and dried sweet fruits open up in the glass as the wine evolves. This is balanced by magnificent refreshing acidity and wonderfully textured and smooth tannins which provide great structure. Fuller and slightly more masculine in style than the Costa Russi, this is a very serious wine with plenty of ageing potential but it will be approachable in a few years if you can't wait.
