Tasting notes

The Pinot nero “Riva” is among those with the best exposure of the entire Duca di Dolle estate: an unusual grape variety for this area but one with great potential that gives rise to a unique rosé. T

The nose is intoxicating intensity filled with floral and fruit aromas. Notes of white flowers, rose, cyclamen and violets come together with aromas of amarena cherries, wild blackberries, blueberries and a sweet spice finish of cloves and cinnamon.

An initial kick of malic acid and freshness marries with an intriguing body from soft tannins and a final salty mineral note which leaves a very pleasant and moreish finish.

Food pairing: Raw fish, sushi and sashimi, Oysters, shellfish and traditional Veneto risottos.

About the producer

Nestled at the heart of the Conegliano-Valdobbiadene hills, in the classified region Prosecco Superiore D.O.C.G., Duca di Dolle produce quality sparkling wine at the highest level. The Estate's focus is to make iconic sparkling wines, which make the most of the unique conditions of this area. The estate itself is an old monastery from the 16th century surrounded by 70 year old vineyards, located in the small hamlet of Rolle, right in the heart of the Conegliano-Valdobbiadene Hills, a UNESCO World Heritage Site since 2019. From pruning to harvesting, all activities are carried out by hand, with a lower yield per hectare than that required by the specifications.
