### About the producer

---

Sesti is one of the most delightfully individual producers in Armit's portfolio. Founder Giuseppe described himself as "eclectic by nature," having run a Baroque opera festival for thirty years while restoring the castle that features on their labels and developing the vineyards. He has also devoted himself to the study of astronomy, publishing no fewer than five books, and Sesti considers the influence of the moon indispensable to viticulture. The estate's 13 hectares of vineyards are located in a unique microclimate in southern Montalcino, surrounded by forests, on soils of layered oceanic sediment, producing elegant Sangiovese with a distinct floral character.
