#### Tasting notes

A beautiful Amarone which has beautiful power and concentration whilst being vibrant, fresh and elegant all the way to the finish. The palate sumptuous with mouth coating richness and complex with layers of morello cherry, dark herbs and coffee notes. A very complex wine for the price tag.

#### About the producer

---

Musella is set within the beautiful, green hills of San Martino Buon Albergo, near Verona. Its vineyards cover three different hillside locations on south and west-facing slopes, which offer a remarkable differentiation of soil types: the Monte del Drago, Perlar and Palazzina hills. Maddalena Pasqua is the incredibly talented winemaker at the helm of the winery. Her love for nature and deep respect for the soil led her to become one of the most fervent ambassadors of biodynamics in Italy. The result is wines with incredible elegance and focus, brimming with life and tension.
