### About the producer

Domaine Leflaive is one of Burgundy's most revered estates, setting the benchmark for Chardonnay from Puligny-Montrachet.
Under the stewardship of Brice de la Morandière, the domaine farms its historic Premier and Grand Cru vineyards
biodynamically, with meticulous attention to balance and terroir expression. The wines are celebrated for their crystalline purity,
quiet power, and extraordinary finesse, standing among the most iconic white Burgundies in the world. We are proud to work with the domaine directly and encourage you to get in touch to discuss pricing and request allocations.
