Tasting notes

Although this wine shows typical varietal and regional characteristics, it also has the Rockford philosophy at its core – a rich, soft and full flavoured wine made using traditional winemaking techniques and attitudes. Dry conditions and higher than average temperatures in the lead up to the 2019 harvest gave us a shorter and more intense vintage. This resulted in significantly lower yields, but the intensity of colour and flavour are the great benefit of the vintage.

About the producer

Established in 1984, Rockford is now in its 38th vintage and prides itself on maintaining the best of the traditional Australian wine trade. Founded by Robert O'Callaghan, the winery is a family-owned Barossa institution using traditional Barossa grape varieties, with some vines dating back to the 1880s. Much of the winery equipment also dates back well over 100 years. This unique approach to traditional winemaking, results in a range of wines which represent the pinnacle of quality that the Barossa has to offer.
