### Tasting notes

---

Cherry and raspberry fruit suggest a wine of easy charms but the minerality of the palate soon shakes off that notion, ushering in a wine of seriousness and classic austerity that will need time to loosen up and let its hair down. Drink from 2012.

### About the producer

---

Christophe Roumier still delights in the simple, shared discovery of a new vintage in the same way that he always has, zipping around from cask to cask and debating the wine's merits as if it was his first time. The Roumier experience is infectious even before raising the glass to the lips but these are wines that transcend the merely "interesting" or "intriguing", this is a serious, world-class estate whose wines are rightfully prized.
