Tasting notes

The Shiraz grapes for this ESP 'reserve cuvee' were sourced mainly from vines planted on the Estate during the 1930s. Rich, dark fruit scents with a mix of spice leap from the glass. Powerful and rich black fruit flavours on the palate with excellent depth of fruit, layered complexity with notes of spice, pepper and licorice. The overall balance is rich yet still elegant, with silky tannins and a long, lingering taste of blackberries that provide a satisfying finish.

About the producer

With vines dating back to 1860, Tahbilk is one of the oldest established wineries in Australia. Based in a lakeland area of Victoria, which cools the climate somewhat, this terroir is ideal for the grapes of the Northern Côtes du Rhône - particularly white Marsanne and red Syrah/Shiraz.
