### Tasting notes

Outstanding, medium-high depth, dark-cherry red with an intense pinkish rim. Very intense to the nose, with outstanding spicy aromas of black pepper, cloves, cinnamon and vanilla enveloping fine notes of red berries. In the mouth, we enjoy a pleasant structure, balanced acidity and delicate, enveloping tannins. Broad finish, with a round, elegant aftertaste. A Viña Ardanza which assures many years of enjoyment and will pair with all kinds of meat stews, roasts and grilled red meat.

### About the producer

Formed by five families in the late 19th century, the La Rioja Alta S.A. winery is one of the most iconic names in Fine Wine, and a benchmark for the traditional style of Rioja. Their Tempranillo-led reds are aged for remarkably long periods in barrels from the producer's cooperage, and they are one of the last remaining producers to rack their wines by hand and by candlelight – which they do every six months. While they always upheld standards and tradition, La Rioja Alta S.A. never stopped experimenting and pushing for better quality, offering some of the purest, more precise expressions of Tempranillo in the world.
