<b>Country:</b>	France		

### Tasting notes

Always the most mineral wine in the cellar, les Chatelots is right in the heart of the village next to Gruenchers and above Charmes. This wine combines an open, pleasing style with supple tannins but with the whiff of smoke and rocks from the soils. Concentrated and with dry mineral extract on the palate, this is intense and impressive and keeps on going well beyond the the certainty of the last drop.
