Tasting notes

An astonishingly good value red from Falorca, one of the finest reds we've ever tasted for less than £12. Dark fruited with a perfumed violet and blackberry filled nose. The palate is rich, creamy and very well structured. The previously prodigious tannins have softened to form a beautifully textured wine. Concentrated black cherry, currant and blackberries all merge with a sweet spice and leathery complexity. A real mouthful with a finish that lasts and lasts. Really quite special.
