### Tasting notes

The nose opens with warm earthy tones. Appealing spice sits alongside dried peel notes and hightoned fruit over a hint of leather. The fruit is forward, and a touch juicier than in the past, underpinned by the same spicy notes found on the nose. A keen freshness knits everything together and the balance of this wine is impeccable. Drink from 2017-2030.

### Armit Wines

Outstanding dark-cherry red; intense, bright and clean. The first impression on the nose is of great freshness provided by notes of cherries and blackcurrants knit with notes of black pepper, tobacco, nutmeg, coffee, caramel and vanilla from barrel ageing. Pleasant entry. Tasty, with a soft freshness, nice structure, balanced acidity and fine, elegant tannins. Silky finish, with a lovely aftertaste, where liqueur-like notes of blackcurrants intermingle with toasty notes and sweet spices turning this especial edition of Viña Ardanza into a fine, elegant wine.

### La Rioja Alta S.A

### About the producer

Formed by five families in the late 19th century, the La Rioja Alta S.A. winery is one of the most iconic names in Fine Wine, and a benchmark for the traditional style of Rioja. Their Tempranillo-led reds are aged for remarkably long periods in barrels from the producer's cooperage, and they are one of the last remaining producers to rack their wines by hand and by candlelight – which they do every six months. While they always upheld standards and tradition, La Rioja Alta S.A. never stopped experimenting and pushing for better quality, offering some of the purest, more precise expressions of Tempranillo in the world.
