Tasting notes

In true Blanc de Noirs style, there is a beautiful richness to this 2009. Red apple and stone fruit develop into tropical aromas, whilst a savoury brioche note completes the very expressive nose. The palate is equally enticing as the rich citrus flavours are balanced perfectly with the trademark Schramsberg acidity. Orange peel and lemon tart come to mind whilst a creamy, yoghurt like texture mousse emerges into a long, fresh and layered finish. A perfect partner to rich, nutty cheeses. Armit Wines
