### Tasting notes

---

A deeply flavoured, structured wine which is also extremely elegant. Described by Romain as the "best Corton Rognet he has ever made" the nose is full of dense blackcurrant and blueberry fruit characters while the palate is rich and dense with lovely, plump wild berry and dark cassis flavours. This is all supported by firm tannins and a refined mineral note on the finish which is extremely refined and satisfying. Drink from 2015.

### About the producer

---

Romain Taupenot is one of the rising stars in Burgundy and is the 7th generation, along with his sister Virginie, to continue the family tradition. Romain is a perfectionist who is always striving to achieve the very best and he has transformed his family domaine over the last few years producing increasingly impressive wines. He uses organic methods and focuses on expressing pure fruit flavours which display each terroir. Oak is used judiciously to avoid dominating the wines. Romain's wines are refined and pure, rather than powerful, a style which expresses itself well through his excellent 2011s which are extremely elegant.
