Tasting notes

Very pure and refined aromas with stone fruit and citrus characters mingling with white flowers. The palate is incredibly silky and smooth textured with a soft stone fruit flavours, balanced by a refreshing citric note on the finish.

About the producer

Spending any time with Nicolas Potel in Burgundy can't help but to make even the most ardent of critics a lifelong convert. Nicolas is another man of boundless energy but his approach is very organic, adhering to the natural rhythms wherever possible. Such an unforced, careful, natural and sensitive approach is reflected perfectly in his wine and Nicolas has brought a breath of fresh air to Burgundy over the last decade and more. Quite simply, he remains one of Burgundy's brightest talents.
