Tasting notes

Delicate salmon pink with a touch of gold, this rosé combines fresh red fruit aromas (strawberry/strawberry leaf, red currants) with biscuity, cherry pie lees characters. The palate shows a balanced acidity highlighting raspberry and cherry flavours before giving in to a full, creamy mouthfeel and a sherbet finish. This is a fresh wine that will continue to soften and develop over the next 3 years. As well as an ideal partner to aperitifs, this wine is a good match with fresh strawberries, sorbet or even tarte tatin.
