Tasting notes

This has a darker fruit character than Conteisa. Very deep and layered and in need of time to unfurl. The texture and harmony of the wine are most striking at this stage. Gossamer but very present tannins which reinforce and support the dense core of fruit. This hangs together perfectly with a great sense of progression from the concentrated fruit through to the long, fresh exciting finish. Withtime in the glass the remarkable nuance of this wine reveals itself and we can?t wait to see this evolve. Fabulous.
