About the producer

Having fallen in love with Puglia, Giovanni Battista Cantele and his wife Teresa Manara decided to move to Salento to establish a winery in the late 1950s. The whole family is now involved in the business and carries on the legacy with the same passion and energy. While the primary focus is on local varieties like Primitivo, Negroamaro and Bombino, the winery also produces pure expressions of international varieties. The aim is to redefine Puglia's wines and promote the unique terroirs of Salento with wine of great intensity, precision and freshness.
