Tasting notes

An intensely favoured and complex wine which combines the elegance of the Chianti region with the darker, more sumptuous flavours of the coastal Maremma vineyards. A bouquet of bright red cherries with deeper damson and blackberry fruit characters mingles with attractive violet and rose petal notes. The palate is multi-layered and richly flavoured with plenty of ripe forest fruit characters balanced by a refined structure and a lovely energetic freshness which runs through to the finish. Hints of spice and a mineral edge add complexity and gives excellent definition - This wine will be approachable from release but will mature well for the next five or more years.

About the producer

The name Querciabella is entirely appropriate to this estate in Chianti, which is surrounded by a sheltering forest of magnificent trees. Sebastiano Castiglioni is at the helm of one of the most innovative wineries in Italy, spearheading vegan and biodynamic practices in his two estates. Helped by the incredibly talented South African winemaker Manfred Ing, Querciabella are releasing not only some of the purest expressions of Chianti Classico but also venturing into Super-Tuscan territory with Camartina and Palafreno. Querciabella are also responsible for one of the most acclaimed Italian whites, Batàr, alongside a range of exciting Maremma wines.
