Tasting notes

Jammy yet again but with added spice and cinnamon. Nice blend of elements on the palate albeit slightly tipped by the tannic involvement. It's very good, but possibly not at the price.

About the producer

Musella is set within the beautiful, green hills of San Martino Buon Albergo, near Verona. Its vineyards cover three different hillside locations on south and west-facing slopes, which offer a remarkable differentiation of soil types: the Monte del Drago, Perlar and Palazzina hills. Maddalena Pasqua is the incredibly talented winemaker at the helm of the winery. Her love for nature and deep respect for the soil led her to become one of the most fervent ambassadors of biodynamics in Italy. The result is wines with incredible elegance and focus, brimming with life and tension.
