### Tasting notes

---

An attractive, deeply flavoured wine from old vines grown on rocky soils which gives it an appealing smoky, mineral quality. Complex aromas with redcurrant and sweet forest fruit characters open out to reveal darker cherry, bramble and dried herb fruit notes. The palate is firm and quite grippy on the finish which balances complex, elegant fruit flavours and a hint of spice and pepper. This wine has excellent ageing potential and deserves a few years in bottle before drinking. Drink from 2017.

### About the producer

---

Romain Taupenot is one of the rising stars in Burgundy and is the 7th generation, along with his sister Virginie, to continue the family tradition. Romain is a perfectionist who is always striving to achieve the very best and he has transformed his family domaine over the last few years producing increasingly impressive wines. He uses organic methods and focuses on expressing pure fruit flavours which display each terroir. Oak is used judiciously to avoid dominating the wines. Romain's wines are refined and pure, rather than powerful, a style which expresses itself well through his excellent 2011s which are extremely elegant.
