### Tasting notes

Very dark blackberry and plum fruit aromas with attractive spicy, cedar notes. The fruit is rich and appealing with ripe cassis and raspberry flavours balanced by firm, smooth tannins and a lovely freshness on the finish with just a hint of exotic spice. This is a harmonious and sumptuous wine which will be delicious to drink in a few years. Drink 2014 - 2018.

### About the producer

Bought by Jean Charles Cazes on the eve of the second world war, at the same time as he purchased Ormes de Pez, Château Lynch Bages has had an interesting history. The estate has been run by the new generation Sylvie Cazes Regimbeau and Jean Charles Cazes since 2006. A team look after the daily management of the vineyard and sustainable, environmentally-friendly policies are followed. In January 2010 Jean Michel Cazes received the 'Pionnier de l'Énotourisme' prize, in recognition of the ongoing work to support the tourist trade and its positive impact on French wine-growing regions.
