### Tasting notes

---

A classic from this estate from steep slopes of clayey-calcareous soils. The richness and depth of the wine are striking but in no way overpowers the citrus bouquet and delicious stone fruit flavours which have a hint of white truffle. With wild herb notes and a mineral tang on the finish adding to the roundness and complexity of the wine, this is a superb premier cru which is unique in its style in Meursault. Drink from 2015.
