Tasting notes

We only create these liquid gold assortment cases in vintages where we can find three sticky beauties that really excite us. In 2011 we had a wealth of options. We appreciate that sometimes it is quite hard to work your way through a whole case of the same Sauternes, and this mixed case provides you with the ability to dip in and out of three different wines of differing styles. This is always one of our staff's favourite cases to buy, and after a recent re-tasting of the wines, we are delighted with our selection this year. This case contains two bottles each of 2011 Ch. Suduiraut, 2011 Ch. Coutet and 2011 Ch. Doisy Vedrines.
