About the producer

Château Margaux is one of the most historic estates in Bordeaux and is considered a national treasure. It has changed hands many times over the centuries, passing through a who's who of French nobility as well as the hands of powerful merchants such as the Ginestet family. The consistently outstanding quality of Margaux during the years of the Mentzelopoulos-Pontallier partnership is no coincidence though and demonstrates that the greatest terroirs need to be understood and worked on by people of rare talent, passion and commitment to achieve their full potential.
