### Tasting notes

---

A wistful nose of seashells, pure lifted cherries and violets lead to a rich, powerful palate with lovely chewy tannins, delicious depths of red cherry fruit and a firm core of savoury minerality. Finely chiselled with a natural elegance, the wine is deep yet perfumed and very long. Drink from 2023.

### About the producer

---

Christophe Roumier still delights in the simple, shared discovery of a new vintage in the same way that he always has, zipping around from cask to cask and debating the wine's merits as if it was his first time. The Roumier experience is infectious even before raising the glass to the lips but these are wines that transcend the merely "interesting" or "intriguing", this is a serious, world-class estate whose wines are rightfully prized.
