About the producer

In 1991, La Rioja Alta branched south into the barren plateau of Ribera del Duero. After intensive analysis, they settled on a plot in Anguix near Burgos, an area which Tim Atkin MW describes as the home of “*most of the best wines*” in Ribera del Duero. This Estate features vineyards at 700-800m above sea level, a state-of-the-art winery completed in 2000, and a solar farm to provide sustainable energy for the winery.
