Tasting notes

An attractive and refreshing wine with fine tannins and smooth, ripe, red fruit. There is a hint of spicy wood on the finish which draws the wine together. Harmonious and supple, this wine will be delicious to drink from release.

About the producer

Spending any time with Nicolas Potel in Burgundy can't help but to make even the most ardent of critics a lifelong convert. Nicolas is another man of boundless energy but his approach is very organic, adhering to the natural rhythms wherever possible. Such an unforced, careful, natural and sensitive approach is reflected perfectly in his wine and Nicolas has brought a breath of fresh air to Burgundy over the last decade and more. Quite simply, he remains one of Burgundy's brightest talents.
