### Tasting notes

---

Narvaux was hit badly by the hail and as a consequence this is substantially reduced in availability. The team have worked hard here and the lemon-scented, pure and cleansing wine that results is a tribute to their efforts. On the palate, this shows good fresh acidity as well as depth and density. Drink from 2015.

### About the producer

---

Domaine de Montille is one of Burgundy's greatest estates. The wines are made for ageing but in recent years, since Hubert's son Etienne has taken over, the Domaine has moved towards expressing greater aromatic potential in the wines. The Domaine has moved progressively towards organic and now biodynamic methods working in closer harmony with nature. The wines still benefit from ageing and develop an abundance of complexity as they mature.
