Tasting notes

A delightful bouquet of crushed blackberries and damsons is accompanied by perfumed, spiced notes of violet, pot-pourri and black pepper. The palate is full and rounded with fine velvety tannins and a fantastic freshness that lifts the wine, providing an elegant and striking backbone. The finish is floral and persistent. This excellent value wine from a well-regarded organic producer would pair well with any barbecued, grilled meats or hearty winter fare. An absolute bargain ? well worth filling your boots!
