### Tasting notes

On the nose, you'll find red fruit with delicate herbaceous notes alongside sour cherry, red prune, and thyme followed by flint. The flavour of this wine is defined by its balance of delicacy and alcoholic content set against its minerality and freshness. Nuanced and persistent, it starts out softly and evolves into a delicate yet confident finish with classic Negromaro notes.

### About the producer

Having fallen in love with Puglia, Giovanni Battista Cantele and his wife Teresa Manara decided to move to Salento to establish a winery in the late 1950s. The whole family is now involved in the business and carries on the legacy with the same passion and energy. While the primary focus is on local varieties like Primitivo, Negroamaro and Bombino, the winery also produces pure expressions of international varieties. The aim is to redefine Puglia's wines and promote the unique terroirs of Salento with wine of great intensity, precision and freshness.
