About the producer

Bought by Jean Charles Cazes on the eve of the second world war, at the same time as he purchased Ormes de Pez, Chateau Lynch Bages has had an interesting history. The estate has been run by the new generation Sylvie Cazes Regimbeau and Jean Charles Cazes since 2006. A team look after the daily management of the vineyard and sustainable, environmentally-friendly policies are followed. In January 2010 Jean Michel Cazes received the 'Pionnier de l'Œnotourisme' prize, in recognition of the ongoing work to support the tourist trade and its positive impact on French winegrowing regions.
