## About the producer

---

Christophe Roumier has for many years been heralded as a superstar but you'd never know it from meeting him. One of the most intelligent, friendly and fascinating characters in Burgundy, his time is always in demand yet is never grudgingly given. He still delights in the simple, shared discovery of a new vintage in the same way that he always has, zipping around from cask to cask and debating the wine's merits as if it was his first time. The Roumier experience is infectious even before raising the glass to the lips but these are wines that transcend the merely "interesting" or "intriguing", this is a serious, world-class estate whose wines are rightfully prized.
