Product details

Vintage:	2022	Drinking:	
Producer:	Domaine des Mapliers	Alcohol:	13.00%
Region:	South of France	Variety:	
Country:	France		

Tasting notes

The 2022 Préférences is a blend of Grenache and Cinsault. Pale pink, the nose is delicate and aromatic, with charming fresh red fruit, raspberry, white pepper and curcuma notes. The crisp, dry palate is marked by notes of red fruit and berries, particularly fresh pomegranate, which compliments the elegant structure. We recommend pairing this with a fresh Vitelli Tonnato. Recommended serving temperature is 7-9 degrees.

About the producer

Domaine des Mapliers is owned by the Gallo family (no connection to California's ubiquitous wines of the same name). Jean Gallo has been passionate about wine and Champagne for over 40 years, an enthusiasm he naturally transmitted to his son. In 2013 they decided to acquire a vineyard and live out their passion for the land and its wine. Previously managed by the celebrated Domaine Ott, the vineyard is located in the heart of Provence Varoise.

Certified Organic, Domaine des Mapliers Rosé is cultivated with total respect of nature. The vines, situated on a south-facing hillside, grow on a calcareous clay soil at an altitude of 300 metres above sea level, which accounts for the wine's unique freshness.
