About the producer

Situated in the heart of the Tokaj region, Château Dereszla has a history dating back to the 18th century. The Estate owns 27 hectares spread across the designated "Grand Cru" area, and the large diversity of soils throughout these vineyard holdings is a crucial factor in the complexity of their wines. The historic cellars were fully renovated in 2003 and equipped with state of the art winemaking technology. The winemaking team has a long-established expertise in vinification, as well as sharing a dedication to perfection and a passion for the beautiful wines that they produce.
