About the producer

Since 1968 the hand tended vineyards have been farmed organically, and biodynamically for the past 20 years. In the winery, Laurent ferments and ages his wines in oak barrels to give hugely characterful and refined Champagnes. The gentle use of oak is vital, the influence is subtle and found more in texture than overt flavours, as Laurent said, “oak is a good servant but a bad master”. It is no wonder Vilmar is often known as ‘Mini Krug’ by those in the know. The production of the estate is miniscule and highly sought-after by collectors, if you are yet to discover Vilmar, you should do so before the secret is well and truly out.
