### About the producer

---

Domaine de Colombier is widely regarded as one of the best producers of Crozes Hermitage and Hermitage. The 13 hectare estate is scattered over some of the best sites in Mercurol and Tain, including 1.5 hectares in the renowned Beaume vineyard on the hill of Hermitage. The estate is run by the Florent Viale who uses traditional methods and bottles without filtration to maximise complexity. Florent aims to express pure fruit character but his wines also have the capacity to age well and his Crozes Hermitage is consistently one of the most consistent in the appellation.
