### Tasting notes

Grenache, Mataro (Mourvedre) and Shiraz are three of the great red grape varieties that are the cornerstone of the Barossa's red winemaking pedigree. This classic blend combines bright red fruit and spice from the Grenache, savoury and gamey dark fruit from the Mataro and brooding dark plums and chocolate from the Shiraz. Complex and harmonious, gentle savoury tannins and a touch of fresh earthiness make this a fantastic wine for any occasion as the autumn evenings draw in.
