Tasting notes

Citrusy and herbal with a touch of spice. Fresh and focussed with lemon and apple acidity and excellent underlying minerality. There is lot going on here for the money. Excellent.

About the producer

Founded in 1853, Domaine Boeckel is now run by the 5th generation of winemakers, Jean-Daniel and Thomas Boeckel. A true Alsatian gem, the Domaine stretches over 23ha of vineyards now farmed according to organic viticulture. Their pure, mineral and elegant wines are a great way to start exploring the depth and potential of Alsace. From the only vineyard in the world to produce Sylvaner with Grand Cru status, to their concentrated and powerful Rieslings to bewitching Gewürztraminer, there is plenty for any wine aficionado to love. Those are wines perfect to experiment with food-wise.
