Tasting notes

A fresh Vermentino from the Ligurian coast in Italy. Elegant and floral this is the perfect summer white. Lifted aromas of peach blossom, ripe citrus and stone fruit waft from the glass. The palate is precise and refreshing with concentrated citrus and apricot, there is a hint of saline minerality that adds to the freshness of this delectable Vermentino. This is a real cellar filler for the summer.

About the producer

Nestled on the Ligurian border with Tuscany, near the remains of the ancient Roman city of Luni, Cantine Lunae has been pushing boundaries of Ligurian wines since Paolo Bosoni took the helm of the winery in 1966. His family's dedication to quality is helping to create incredibly vibrant and intense wines from local grape varieties which are a true distillate of their soils, Mediterranean climate and their respectful viticulture. From the mineral expression of Vermentino to spicy Albarola, there is plenty to discover and experiment with their range.
