### Tasting notes

A 'Special Selection' wine, the Block 3 sub-section of the Resurrection vineyard is home to five acres of twisted, gnarly old Shiraz vines that were planted during the Great Depression. These vines are embedded in the deep, red Ebenezer soils; the wine reflects this unique plot displaying a rich, soulful aroma with notes of blackberry and black pepper, spiced fruit and barbecued notes. Smokey, tobacco and exotic Christmas spices combine on the palate to create a truly hedonistic wine that has flesh and concentration underpinned by a very precise acidity and fine tannic structure. This is a real showstopper that should be in your wine rack if not on your table!
