Tasting notes

"Vivid red. Raspberry, red cherry, rose pastille and licorice on the deep nose. Enters powerful and round, with red fruit flavors lifted by tangy floral notes and vibrant acidity, showing very good depth of fruit and focus. Finishes with an increasingly light touch, at once silky and vibrant, with a core of minerality conveying an impression of elegance on the long back end. One of the top five Brunellos of the vintage." **93 Points, Ian d'Agata, Vinous Media**
