### Tasting notes

Deep cherry red in colour. Intense aromas of red and black berry fruit with balsamic notes and a hint of cinnamon, vanilla and coconut. A silky mouthfeel with ripe berry fruit flavours, some underlying balsamic and smoky notes, fine-grained tannins and gentle tangy acidity to balance. Very elegant with a lingering finish.

### About the producer

Formed by five families in the late 19th century, the La Rioja Alta S.A. winery is one of the most iconic names in Fine Wine, and a benchmark for the traditional style of Rioja. Their Tempranillo-led reds are aged for remarkably long periods in barrels from the producer's cooperage, and they are one of the last remaining producers to rack their wines by hand and by candlelight – which they do every six months. While they always upheld standards and tradition, La Rioja Alta S.A. never stopped experimenting and pushing for better quality, offering some of the purest, more precise expressions of Tempranillo in the world.
