Tasting notes

Sourced from Stellenbosch, mostly adjacent to the estate, the 2014 Chardonnay is 20% matured in barrel including partial new wood. It has a fragrant bouquet with touches of tropical fruit, grapefruit and a touch of chalk dust. The palate is well balanced with tropical tones on the entry - pineapple and guava counterbalanced by a keen bead of acidity. It sashays along to a finish that is slightly reserved at first, but soon begins to open up. Like the 2013, this is well worth seeking out. 88 Points.
