About the producer

The team of François Pinault and Frederic Engérer has produced a succession of wonderful wines at Château Latour since Pinault purchased the famous Pauillac first growth in 1994. Now they have embarked on a new project, tackling the very different challenges of Burgundy, having purchased the former Engel estate and renaming it in dedication to Pinault's mother. The inaugural 2006 vintage already showed their ambitions and the strong 2007 has further added to the reputation. From the 2008 vintage, they will be in their own cellars with two full growing seasons under their belt. With the talents, resources and dedication of this team, the sky is the limit.
