Tasting notes

The 2014 Estate Chardonnay is a wonderful cuvée designed to show the house style and ethos of this excellent estate. From 5 different plots, hand harvested and fermented in barrel with wild yeasts, this is a very carefully made wine. The subtlety in its ingredients and making is reflected in the complexity and delicacy in the wine. Rich and elegant at once, the Estate Chardonnay is bright and energetic with floral notes of white flowers, ripe white peach and kissed with a hint of vanilla oak. This is a very impressive wine and on the palate the stone fruit appears further on a long and complex finish. The body is creamy with great texture and mouthfeel.
