I don't believe in hands-off winemaking because I believe that growing grapes and making wine by nature is pretty hands-on, but when I see and taste good grapes, I feel a responsibility if not an obligation to stay out of the way. That is the case here. The 2014 Potter Valley Pinot Noir is 50% Pommard and 50% 115 from the certified organic and biodynamic Vecino Vineyard in Potter Valley. Winemaker

### About the producer

---

One of the most original thinkers in Californian winemaking, Kenny Likitprakong started The Hobo Wine Company as a deliberately itinerant winemaker concentrating on acquiring very specific parcels of grapes, timing harvests perfectly and vinifying naturally. While he has now settled in a permanent bunkhouse for the fermentation in Santa Rosa, he keeps a fluid approach to his wines. This incredibly thrilling range is an invitation to explore the various, maybe lesser-known, terroir of Sonoma and is a testament to Kenny's deep understanding of terroir and his precise winemaking.
