Tasting notes

The Grenache expresses all its qualities through this wine: exuberance of red fruit, roundness of tannins. The vintage brings this note of exuberance to this wine that makes it a perfect choice for enjoying moments with your friends or destress after a hard working day.

About the producer

Domaine André Brunel Wines

All of the grapes are destemmed to avoid imparting bitterness, and since 1988, the wines are bottled unfinned and unfiltered. André Brunel is most famous for his premium, highly sought-after Châteauneuf-du-Pape Les Cailloux, named after the famous Rhône pudding stones, and also his much-lauded Cuvée Centenaire, produced in tiny quantities in the best years from vines of over 100 years in age.

Brunel also produces outstanding value Côtes du Rhône and a Vin de Pays Grenache that offers outstanding value for money. André Brunel is now deservedly recognised as one of the world's finest producers of Châteauneuf-du-Pape.
