### About the producer

---

Romain Taupenot is one of the rising stars in Burgundy and is the 7th generation, along with his sister Virginie, to continue the family tradition. Romain is a perfectionist who is always striving to achieve the very best and he has transformed his family domaine over the last few years producing increasingly impressive wines. He uses organic methods and focuses on expressing pure fruit flavours which display each terroir. Oak is used judiciously to avoid dominating the wines. Romain's wines are refined and pure, rather than powerful, a style which expresses itself well through his excellent 2011s which are extremely elegant.
