### Tasting notes

---

The 2014 Arbois Trois Cépages is a red blend of the three red grapes from Jura: Pinot Noir (60%) and the rest Trousseau with just 5% Poulsard, aged for one year in used barriques. It's very pure and clean with aromas of wild red berries; it's light colored, clean, precise with tension, with higher acidity than a Burgundy, and with more red blood orange aromas and some meaty undertones. The texture is fine, silky and very elegant. Great acidity and finesse, it drinks very well. Village at Bourgogne Rouge prices! 7,000 bottles produced.
